168	<p>A collection of various coins, including silver and gold pieces, arranged in three rows within a display case. The top row features six coins of different denominations and colors. The middle row contains eight silver coins with various designs. The bottom row shows seven coins, including some with intricate patterns and others with portraits.</p>
169	<p>A collection of Swiss coins, including a 25-centime piece from 1844, displayed in a grid with yellow labels 10, 11, and 12. The coins are arranged in two rows. The top row has four coins, and the bottom row has four coins. The 25-centime piece is prominently displayed in the center of the bottom row.</p>
170	<p>A collection of Swiss coins, including a 2-centime piece from 1871, displayed in a grid. The coins are arranged in four rows. The top row has six coins, the second row has two coins, the third row has six coins, and the bottom row has two coins. The 2-centime piece is prominently displayed in the bottom row.</p>
